

## University-wide electives for incoming exchange students

### fall semester 2013

Students who wish to take classes outside of the school to which they are coming on exchange are advised to select from the courses below. These courses can be taken without previous knowledge in the field. For more information on dates, times, ECTS and course content, please check in the course catalogue under the respective school/department. Should you have questions on course selection, please contact the respective [faculty exchange coordinator](#).

## School of Social Sciences

### Psychology

Non-majoring students can only take part in courses if they possess basic knowledge of Psychology and statistics. Students should get in touch with Mr Johannes Schuler (johannes.schuler@uni-mannheim.de) to inquire if they meet the prerequisites.
