Why Mannheim?

- Excellence in teaching and research
- University’s library ranked among the top 5 academic libraries in Germany by the German library index “BIX”
- Unique study environment in a baroque palace at a centrally located campus
- Over 50 different types of sport available every semester, sports teams among the most successful teams in Germany
- Variety of recreational activities, including music and theatre
Mannheim cares for you

- The International Office will support you in finding a room in one of the student residences or on the private market.

- Various student associations care especially for international students and organize excursions, cultural and sports events as well as parties throughout the semester.

- With the “Buddy Programme“ you can get directly in touch with a Mannheim student who will help you to manage your first weeks – get a buddy and gain a friend!
Not perfect in German? No problem!

- All schools offer lectures and seminars conducted in English → depending on your subject, you can even study completely in English!

- International Summer and Winter Academy for German Language and Culture prior to the start of semester (4-week intensive course)

- German language courses in different levels offered during the semester

- Special language courses dealing with political, cultural and business topics
